

Introducing the Dream Machine

Innovator now offering
“Under-the-Bed” TV lift

Model: DM70/120

Maximum Lift Capacity - 120 lbs.

Max Vertical Travel - 26.5”

Experience the ultimate in convenience, simplicity and economy of space.... new from Auton Motorized Systems.

- With a push of a button it takes just seconds for the Dream Machine to quietly transport the TV from under the bed to the user's pre-set ideal viewing position
- With another push of a button, it quietly returns the TV back to its original position completely out of view
- The Dream Machine fits under the bed frame with absolutely no assembly or modification to the unit, and no construction or attachment of any kind is necessary
- Large polyurethane wheels and comparatively light weight allow for practically effortless transport over almost any surface to its final location and position

No assembly. No tools. No mess. No kidding.

- Comes fully assembled
- Installs in just minutes
- Includes Wireless Remote
- 5-Year Warranty
- W: 31”
- H: 9”
- L: 71”

- SUGGESTED RETAIL PRICES
- Model DM70 \$13999
- Model DM70S \$17999
- Model DM120 \$18999
- Model DM120S \$22999
